Philosophy

The Parish Council wishes that the Recreation Ground be a benefit to parishioners and others. It is keen that it shall remain an open space for the enjoyment of pastimes by the parishioners, and will not wilfully obstruct, deny or prevent such enjoyment unreasonably.

It does reserve the right to act as it sees fit for the preservation of the Ground for the majority of the parishioners.

The PC is open to suggestions, comments and advice from parishioners and welcomes such at PC meetings, the dates of which are published in the minutes. These are available on the Village Notice Boards and on the website.*

Guidance on items stored on Recreation Ground

The PC may allow persons to store on the Recreation Ground items that are appropriate to functions or activities held on the Recreation Ground; either temporarily or for extended periods. The PC may stipulate conditions attached to this use.

General principles

Prior permission must be gained from the PC for the storage of such items.

Applications should be made in advance in writing to the Parish Clerk in order that the PC may discuss the matter and make a decision at a full Parish Council meeting. No item may be stored until that decision has been made.

The PC will not allow the storage of inappropriate items nor will it allow items to be stored anonymously. All users must leave a contact name, address and telephone number. Items will be stored at the owners' risk, responsibility and liability. Items will be kept in a safe place and in good order by the owner. They will be inspected and maintained regularly by the owner. Items will be made secure by the owner to prevent them becoming a danger to the public. Items will be repaired, repositioned, made safe or removed by the owner at the request of the PC.

Failure to comply will result in the PC removing the items and charging the owner appropriately.

Temporary storage

Temporary storage may be allowed for items to be left in conjunction with an event on the Recreation Ground. This should not be for a period too far in advance of, or for too long after, the event. Such will be decided by the PC in negotiation with the owner.

Dates for storage will be set in conjunction with the owner, and these will be adhered to by the owner.

Owners are solely responsible for the costs of bringing items to, or taking them away from, the Recreation Ground.

Long term storage

Long term storage is allowable for items which need to be used or accessed for more than one event or for a particular seasonal event.

Owners must make representations to the PC for such storage.
The item must be appropriate to the event or events, and necessary to them.
Dates for storage will be set in conjunction with the owner, and these will be adhered to by the owner.

Owners are solely responsible for the costs of bringing items to, or taking them away from, the Recreation Ground.

Disclaimer

Items left on the Recreation Ground, with or without the permission of the PC, are the sole responsibility of the owner. The PC is not responsible for any damage caused to or by the piece of equipment or item. Any third party using or tampering with the item or equipment without authority does so at no risk to the PC.
