

Saturday Coffee Mornings

Regular coffee mornings continue to be held in the village hall and remain popular. Since June last year a total of £780 has been raised for St Edmunds Church. The Christmas coffee morning raised £305 which was donated to Wintercomfort and the recent coffee morning held on 13th May was held in memory of Peter Wilson, who many people will remember as Sarah Martin's brother. A total of £483.51 was raised and has been donated to the charity Darwin Nurseries in Cambridge where Peter worked for many years. Our thanks to everyone who supports our coffee mornings.
