| 4 | Update on village hall planning | It was reported that the village hall had received planning approval under application S/2942/17/FL. There are a number of conditions applicable. It was agreed that whilst approval was welcomed, the PC was disappointed that the location away from the nearby bungalows could not be pursued because of the Important Countryside Frontage policy of South Cambs DC. It was agreed to advise Kompan to go ahead with the production of the play equipment (currently ordered but on hold), with a view to installation in 6 to 8 weeks time. | Kompan to be advised | JH |
