2	Planning	<p>Proposal: Proposed Travel Hub (Park & Ride) including car parking, cycle, and coach parking, road widening, dedicated busway, strengthening of agricultural bridge and new bridge across the M11.</p> <p>Application ref: CCC/20/040/FUL</p> <p>Location: Land to the North/North-West of Cambridge Road, Hauxton near Junction 11 of M11</p> <p>PC response: Object: The parish council believes that this travel hub will create additional congestion on the A10, particularly during rush hours, which is already a problem through Hauxton and Harston. The PC would like to see a longer slip road to ameliorate this during the morning peak period, and an exit which avoids M11 traffic having to go back onto the A10.</p>	<p>Clerk to respond to County Planning at CCC, once wording approved by councillors</p>	JH
